

Immunization Information

Team Members are to make informed decisions by discussing with their physician and visiting [cdc.gov](https://www.cdc.gov). Immunizations should be completed 8 weeks in advance of trip departure.

Global Ministries does not require immunizations, however, the following immunizations are recommended for all JF sponsored international mission trips at the Team Member's personal expense:

- Hepatitis A
- Adult Polio Booster
- Updated Tetanus
- Others required by specific countries

Recommended Locations:

- Team Member's physician's office
- Passport Health - (770) 649-1675
2141 Kingston Ct., Suite 103
Marietta, Ga 30067
