WEDDING POLICY

The wedding ceremony at Johnson Ferry is a service of worship. It is our desire to honor God and to follow the teaching of scripture in every aspect of the ceremony. A Christian wedding reflects God's work to bring together a bride (biological woman) and a groom (biological man) into the special union of marriage in which two individuals become uniquely joined in God's sight. The wedding ceremony is a time for commitment, love, and emotion. It should be considered a high and holy time of worship and reverence as well as a time of excitement. These policies are designed to promote the sanctity of the ceremony while providing logistical understandings in making your wedding a special and meaningful time. Please read these policies carefully. Your wedding is very important to us at Johnson Ferry. May God bless you as you embark on this exciting journey of marriage.

General Requirements at Johnson Ferry

1. Weddings at JFBC must be between one biological man and one biological woman, both of whom are professing Christians as described in Scripture. Johnson Ferry will not sanction weddings or ceremonies or make facilities available for the joining of more than two people or two people of the same sex.
2. Each couple is required to meet with a JFBC appointed staff member to receive pre-marital approval. Pre-marital approval is required before the wedding can be confirmed on the JFBC calendar.

Arrangements & Wedding Directors

One of Johnson Ferry's Wedding Directors will contact you four to six weeks prior to your ceremony. The assigned wedding director will assist you with details pertinent to planning a ceremony reflective of the wedding policy, direct the rehearsal & ceremony and provide you with proper representation during this most meaningful event. Their role is to be a liaison and representative of the church (not a bridal consultant). You will need to provide a representative to aid and assist with the wedding party/timeline for the rehearsal and day of

Calendar

1. All weddings must be approved on the church calendar. It is important to receive written verification of your date before proceeding with further plans. - Friday weddings must occur at 7 p.m. (No reception will be allowed on site for Friday weddings).
- Saturday weddings can be scheduled to begin between 11 a.m. and 1 p.m. or 4 p.m. and 6 p.m. Saturday weddings must be scheduled a minimum of five hours apart to provide proper dressing, facilities and decorations for each ceremony. (Receptions for members only).

2. Music used in connection with the ceremony must be in keeping with the sacredness and dignity of the wedding service. The music should be something that would fit in a service of worship at Johnson Ferry.
3. Words and melody should appeal to the highest ideals of Christian faith. Lyrics must be without question in their reference to God being central in the ceremony. Words also must not contradict established doctrine of Johnson Ferry.
4. All instrumental music and vocal selections must feature live musicians rather than digital. Musicians should attend the wedding rehearsal to aid the family in feeling comfortable with music cues.
5. Proposed vocal selections complete with music and lyrics must be emailed, mailed or delivered to the Worship & Arts Ministry office no later than one month before the wedding. All other musical selections shall be approved through Worship & Arts.
6. Use of the organ in the Sanctuary or Chapel must be coordinated with Worship & Arts. However, outside musicians are permitted through coordination with the Minister of Instrumental Music.
