

## MENTOR PREPARATION GUIDE - Relationships and Sexual Purity

### Before your meeting, you will need to:

- Pick your book, and have copies to distribute at the meeting
- Print copies of homework assignments and all additional resources for this topic
- Prepare your meeting place -comfortable setting, simple snack
- Plan your meeting agenda – see meeting guide for more detailed help
- Prepare Peer Challenge assignment pairings for your group
- What is your STORY?
  - Think about how you developed dating relationships and other relationships in a healthy and God-honoring way.
  - What have you learned about the importance of sexual purity as a single woman?
  - What challenges have you faced in this area, and what tips can you share to help each of the women find victory in this area?
  - Think through how you handled temptation and how you found victory in this area. Also, be willing to be transparent. If you made poor choices in this area and God taught you through this, please be willing to share what you learned through this. You might help another woman from making the same mistakes you did. Also, share how God has restored you and used this area to draw you to Himself. The women are looking for someone willing to share with them the results of following God's plan and the consequences when we don't.
- Incorporate the Personal Ministry Plan in the meeting
- Schedule one-on-ones (remember to meet at least once every 3 months with each mentee)
- Pray for the meeting and each mentee
