

**Crossroads
Crash Course
for
Career Transition
begins
May 13, 2025**

We offer the Crash Course online, making it easy for anyone, anywhere, to attend!

What is the Crash Course for Career Transition? Step by step, this class will help guide you how to find a job if you are unemployed, anticipating a career transition or unfulfilled in your present job. The **Crash Course** is produced by North Atlanta Crossroads, a 501(c)(4) non-profit and our all-volunteer team. The **Crash Course** is Biblically based using the "7-Steps" program developed by Crossroads Career Services Inc. Since 2010, we've conducted this 6-session class more than 100 times and more than 1500 have completed the class! Anyone anywhere can join our online class, and our graduates come from 27 states and provinces. Our class has been favorably compared to more expensive training offered by outplacement services.

When does the Crash Course meet? Plan to attend ALL sessions! Seats are limited. The first session on May 13th combines Orientation, Step 1 and Step 2 of the 7 Step program. This month's schedule:

Each team member is experienced in the most effective and up-to-date ways to prepare for and search for new career opportunities! Our team is composed of all volunteers and our mission is to help others! You can find more information about the **Crash Course**, our team and to register, see our website...
