Discussion Questions

1. (Isaiah 11:1-2) How does Jesus' presence bring life to places in you that feel like stumps? Where do you need more of His Spirit this Advent?
2. (v. 3-4) Where do you see inequity in the world or in your own heart, and how does Christ's righteous judgment challenge you?
3. (v. 5) What truths about Jesus give you assurance when life feels unstable? How can you anchor your Advent season in them?
4. (v. 6-8) Where do you long for supernatural calm in your life or relationships? What would it look like to invite Christ's peace there?
5. (v. 9-10) How does an eternal perspective reshape the pressures, anxieties, or disappointments you feel during December?
6. Which part of the P.E.A.C.E. acrostic do you most need this year, and how can your group pray for you?
